

Request for Reimbursement of Tribal Funds

December 1, 2008

Mr. Brian Thiele
Post Office Box 178
Cripple Creek, North Dakota 58777

In review of our records, it was found that you have an owed balance of \$124.00 for personal usage of a tribal vehicle. The enclosures will show the outstanding balance for gas charged to the tribe's credit card. Since it was for your own personal business and not business, you are ultimately liable for these charges.

We do appreciate your attention to this amount. Please make your check payable to the Cripple Creek Tribe and mail it to Felicia Martin, Business Manager's attention.

I thank you for your understanding and attention to this matter.

Sincerely,

Ethel Dumaris, Chair

Felicia Martin, Business Manager
